

ST NICHOLAS PUBLIC SCHOOL GARHBETA

OBJECTIVES OF PRE-SCHOOL EDUCATION

- ❖ Our motto is to enhance the all round development of a child's personality and inclusion of healthy attitudes, life skills and good values.
- ❖ To lay the foundation for a healthy, productive and satisfying life in future by enabling the children to develop his/her maximum potential through-
 1. Physical well-being, health and motor development.
 2. Creative and aesthetic development
 3. Personal, social and emotional development.
 4. Language communication and literacy development.
 5. Cognitive development.

We at SNPS GARHBETA believe in ITEACH method i.e.-

- I – Integrated learning
- T – Teachers as supporters of learning
- E – Engaging children in learning through play.
- A – Ample opportunities for interaction.
- C – Children as active learners.
- H – Holistic development.
